NAAC B++

Grade in 1st cycle

**LEADING
THROUGH
INNOVATION**

Art is the language of the soul, and creativity is its voice. Aditya College of Fine Arts (BFA), under the Shree Ameya Public Charitable Trust, aims to promote nation-building via education. Our objective is to cultivate artistic talent while encouraging creativity and innovation. Artists who inspire and change the world. Picasso stated, "Every child is an artist." We intend to keep that energy lives on, fostering a lifelong interest for the arts. BFA at Aditya College is a light of creativity. Art education in North Mumbai, creating the future of art through reason and passion.

Greetings from Aditya College of Architecture, Mumbai, India!

We at Aditya College of Architecture are a decade old institute with B++ NAAC grade in 1st cycle, providing quality Architectural education since the last 10 years. We have been nominated 1st rank for Upcoming Best young college in Mumbai North by Times group since 3 consecutive years considering our students do so well academically. Other than having a state-of-the-Art Infrastructure, the institute is affiliated to University of Mumbai, AICTE and Council of Architecture as well as ISO 21001 accreditation to ensure quality learning. As per the Vision and Mission of the Institute to have a global outreach ACA provides for an international platform to showcase the works of young designers and to establish connections amongst the global architectural student's community as well as academia. On the other hand the Institute itself has gained much exposure to the various schools of thought and design that reflect through the numerous entries for its faculty and students to learn and reflect from. As per NEP 2020 with the vision for inter disciplinary learning ACA has introduced course of Bachelor of Fine Arts (BFA) and Bachelor in Design (B. Des.) since last year with the understanding for ACA to become a hub of Design learning and thinking!

**Come join us in our journey to learn,
innovate and excel!**
