Action to be Taken Report by AAC

1. Course Curriculum Feedback by Students:

- The feedback analysis reveals satisfactory results, underscoring notable strengths and positive trends within the evaluated criteria.
- Continuous reviews and feedback mechanisms are in place to ensure ongoing alignment with student expectations. Adjustments to be made to enhance content delivery and engage students effectively.
- Prioritize adherence to the teaching plan, and faculty members to be committed to ensure comprehensive coverage of the curriculum. Regular reviews are to be conducted to monitor progress.

Thanking You,

Probi

3. Course Curriculum Feedback by Alumni

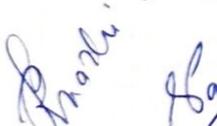

Following are the concern raised:

- The subjects studied are useful in real life application – Analysis index is 6.27.

Following are the Actions Taken:

Concern area from the feedback from Alumni	Action taken
Subjects studied are useful in real life application – Analysis index is 6.27.	<ol style="list-style-type: none">1. Recognizing the importance of staying abreast of industry needs, we need to intensify our efforts in the continuous review of the curriculum.2. Need to explore avenues to provide additional hands-on and practical learning experiences. Initiatives such as site visits, collaborative projects, and professional internships should be expanded to provide students with a deeper understanding of real-world applications.

Thanking You,

Academic team

4. Course Curriculum Feedback by Employer's

- The feedback analysis reveals satisfactory results, underscoring notable strengths and positive trends within the evaluated criteria.
- We express gratitude for the constructive feedback provided by employers. Their positive assessment reaffirms our commitment to delivering high-quality education and validates the efforts of our faculty in designing a curriculum that meets industry standards.
- The satisfactory feedback received from employers is a testament to the quality of education and training provided by our architectural program. We are committed to continuous improvement, and this positive feedback motivates us to strive for excellence in preparing our students for successful careers in architecture.

Thanking You,

Academic team
